Martin County, FL – The Florida Department of Health in Martin County is opening a new channel of communication with the launch of a Twitter account.

“We recognize the value of social media in connecting with the community.” said Karlette Peck, Health Officer for the Florida Department of Health in Martin County. “Having a Twitter account will help us expand our communications efforts even further and foster more engagement with the public and our partners.”

The new account can be found at: <https://twitter.com/GoHealthyMartin>.

Stay current on the latest Public Health programs and updates in Martin County by following [@GoHealthyMartin](https://twitter.com/GoHealthyMartin) on Twitter.
